

LGLR CLASS XXXVI PARTICIPANT COMMITMENT/ TENTATIVE CALENDAR

To graduate from LEADERSHIP GREATER LITTLE ROCK (LGLR), a participant is expected to attend all sessions. Participants may miss **no more than 16 hours** of class time in order to graduate. Each session is considered 8 hours and absence is calculated by the hour. Once someone reaches the 16 hour limit, they are not allowed to miss ANY session time (this includes tardiness.) Excessive tardiness is not acceptable. All class members are expected to be present and accounted for at the session start time and to stay until class is dismissed.
